Delhi-110081, India

EDUCATION

Indira Gandhi University | 2023-2026

- Bachelor of Computer Applications

Govt Co-Ed Sarvodaya Vidyalaya | 2021-2022

- Higher Secondary

WORK EXPERIENCE

Freelancing

2024- PRESENT

- Web Developer
 - Coded websites using HTML, CSS, JavaScript, and jQuery languages.
 - I use React to develop websites, focusing on building responsive, dynamic user interfaces with reusable components. My experience includes integrating APIs, managing state with tools like Redux or Context API, and optimizing performance through efficient component structuring and virtual DOM manipulation
- Data Entry Operator
 - Accurately entered, updated, and maintained data in various systems/databases, ensuring high levels of data integrity and confidentiality.
 - Verified and reviewed data for errors or inconsistencies, correcting them to ensure seamless workflow.

SKILLS

- React JS
- HTML CSS JS
- C++
- Python
- Excel
- Word

COMMUNICATION

- English
- Hindi
- Spanish(Basic)
